Dear Parent:

We are looking forward to a positive year with our choirs, and are pleased that your child will be with us. Our groups have long distinguished themselves in Southern Indiana, and it is our aim to uphold and build on that tradition.

It's a busy time getting everyone back in the school routine, and there are lots of papers to read and fill out. As you're occupied with all this, we ask that you take time to review the **Student Guide**, which covers expectations for your child and a complete calendar of events.

Structured as daily academic classes, our musical ensembles carry the additional distinction of being **school organizations**, and as such, require a solid commitment from all members. This sense of commitment is vital to the success of our performing groups.

We ask that students return the signed bottom section of this letter to us this week, so we are all on the same page as to communication and expectations.

To keep you up-to-date at all times, we post all information and news online at SalemChoirs.org, and include regular updates on Twitter @SalemChoirs.

The Salem Choir Parents Organization invites you to attend our fall meeting, Tues, August 21 at 7:00 p.m., in the SHS Presentation Room. The purpose of the group is to provide logistical, financial, and advocacy support for the vocal music program in grades 6-12. If you can't attend, let us know how you can help out.

Should you have questions or concerns, please feel free to contact me at school or at wspencer_pierce@salemschools.com.

I am looking forward to meeting you and working with all the students, and am confident that you will be impressed with our groups and the progress they make over the course of the school year. Thanks for your interest and continued support of music in our schools,

Wm. Spencer-Pierce
Director, Salem Choirs
